CASE NATURE: Waterworks Construction Project

**CASE CODE**

Construct

**UTILITIES:**

Breathitt County Water District

**INDEX OF EVENTS:**

08/11/08 Final Order Entered: (1) Breathitt District is granted a Certificate of Public Convenience and Necessity to proceed with the proposed construction as set forth in its application. (2) Breathitt District shall notify the Commission prior to performing any additional construction not expressly authorized by this Order. (3) Any deviate from the construction approved shall be undertaken only with the prior approval of the Commission. (4) Breathitt District shall furnish documentation of the total costs of this project including the cost of construction and all other capitalized costs within 60 days of the date that construction is substantially completed. (5) Breathitt District shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein. (6) Breathitt District shall require construction to be inspected under the general supervision of a licensed professional engineer with a Kentucky registration in civil, electrical, or mechanical engineering, to ensure that the construction work is done in accordance with the contract drawings and specifications and in conformance with the best practices of the construction trades involved in the project.
