08/25/14 POST CASE: Marion County Water District Project Cost Summary

06/20/14 POST CASE: Marion County WD Record drawings and letter of completion

01/29/13 Order Entered: Marion District is granted a Certificate of Public Convenience and Necessity to proceed with the proposed water system improvement project as set forth in its application. 2. Marion District shall notify the Commission prior to performing any additional construction not expressly authorized by this Order. 3. Any deviation from the construction approved shall be undertaken only with the approval of the Commission. 4. Marion District shall furnish documentation of the total costs of this project, including the cost of construction and all other capitalized costs (engineering, legal, administrative, etc.), within 60 days of the date that construction is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission. 5. Marion District shall file with the Commission a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of substantial completion of the construction certificated herein. 6. Marion District shall require the construction to be inspected under the general supervision of a licensed professional engineer with a Kentucky registration in civil, electrical, or mechanical engineering to ensure that the construction work is done in accordance with the contract drawings and specifications and in con

01/24/13 Order Entered: Marion District's motion to deviate from 807 KAR 5:001, Section 17(2)(a), is granted. 2. Marion District's application is considered filed as of the date of this Order. Nothing contained in this Order shall preclude the Commission from requiring the production of information regarding Marion District's financial condition or operations since December 31, 2011.
