**INDEX OF EVENTS:**

06/10/19 POST CASE: Troublesome Creek Environmental Authority, Inc. Response to Commission Order

01/29/16 POST CASE: Knott County Water and Sewer, Inc. and Troublesome Creek Environmental Authority Notice of Completion of Transfer

12/29/15 POST CASE: Knott County Water and Sewer Inc. and Troublesome Creek Environmental Authority Inc. Written Acknowledgement/Acceptance of Condition per Dec. 23, 2015 Order

12/23/15 Order entered: The proposed transfer of Troublesome Creek's Ball Creek Plant to Knott District is approved subject to the condition that Knott District shall limit the annual amounts paid to Troublesome Creek to actual expenses not to exceed \$7,500, with such payments to terminate upon completion of the Highway 80 Corridor sewer line project or December 31, 2017, whichever occurs first. The proposed transfer shall not proceed unless, within seven days of the date of this Order, a written acknowledgment is filed on behalf of Knott District by its chairman of the board, or other individual authorized to act by and on behalf of Knott District, accepting and agreeing to be bound by this condition.

2. Within ten days of the completion of the proposed transfer, Knott District shall:

a. Advise the Commission in writing of the transfer's completion.

-8- Case No. 2015-00301

b. File with the Commission the journal entries that Knott District will use to record the proposed asset transfer.

3. Troublesome Creek shall file with the Commission a financial and statistical report for its operations from January 1, 2016, until the date of transfer of the asset ownership.

4. Knott District's rates, classifications, and requirements on file with the Commission and currently in effect shall be the rates, classification, and requirements for the former customers of Troublesome Creek.
