02/09/17 POST CASE: Kentucky Power Co. DSM Update

12/29/16 Final Order Entered: 1. Kentucky Power's modifications and additions to the current DSM/EE portfolio through December 31 , 2018, are approved as filed. 2. Kentucky Power shall continue its consideration and review of potential cost-effective DSM/EE programs, including industrial programs, that could be included in future DSM portfolios. 3. Kentucky Power's request to cease filing monthly updates is approved following its filing that it has achieved the required \$6 million 2016 spending level. 4. Kentucky Power's proposed DSM surcharge factors of \$0.008013 per kWh for residential customers and \$0.004206 per kWh for commercial customers, as revised through discovery, are approved, effective for service rendered on and after the date of this Order. 5. Within ten days from the date of this Order, Kentucky Power shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out rates approved herein and reflecting that they were approved pursuant to this order. 6. Any documents filed pursuant to finding paragraph 3 of this Order shall reference the number of this case and shall be retained in the utility's general correspondence file. 7. The Executive Director is authorized to grant reasonable extensions of time for the filing of any documents required by this Order upon Kentucky Power's showing of good cause for such extension.
