Final Order Entered: 1. Green-Taylor District is granted a CPCN to construct the proposed projects as set forth in its Application. 2. Green-Taylor District shall notify the Commission prior to performing any additional construction not expressly approved by this Order. 3. Any deviation from the construction approved by this Order shall be undertaken only with the prior approval of the Commission. 4. Green-Taylor District shall require construction to be inspected under the general supervision of a licensed professional engineer with a Kentucky registration in civil or mechanical engineering to ensure that the construction work is done in accordance with the contract drawings and specifications and in conformance with the best practices of the construction trades involved in the project. 5. Green-Taylor District shall file the encroachment permit with the Commission within ten days of the Kentucky Transportation Department approving the permit. 6. Green-Taylor District is authorized to enter the proposed Assistance Agreement with KIA and, under the terms of the Assistance Agreement, to borrow from KIA an amount not to exceed \$1,963,390 to be repaid over a 20-year period at an interest rate of 1.75 percent per annum.

7. Green-Taylor District shall file with the Commission documentation of total costs of this project, including cost of construction and all other capitalized costs, within 60 days of date that construction authorized under this CPCN is substantially completed.
