AVAILABILITY OF EXCESS GAS

In the event Buyer shall desire to purchase on any day gas in excess of Buyer's specified Maximum Daily Volume, Buyer shall inform the Seller and if the Seller is able to provide such excess gas required by Buyer from its operations, Seller shall make such excess gas available at the rate of five dollars eighty-five and six tenths cents (\$5.856) per Mcf.

If such excess gas cannot be made available to Buyer from Seller's own operations, Seller may comply with such request to the extent that excess gas is temporarily available from Seller's gas supplier, in order to provide gas which otherwise would not be available. Such excess volume taken shall be paid for at the rate of five dollars and thirteen cents (\$5.13) per Mcf.

On any day when Buyer has been notified to curtail deliveries, Buyer may request excess gas and to the extent such excess gas can be obtained from Seller's supplier, Buyer shall pay Seller at the rate of five dollars and thirteen cents (\$5.13) per Mcf for all such volumes taken which would other wise not be available.

MINIMUM MONTHLY CHARGE

See Sheet No. 58 for minimum monthly charge. The minimum monthly charge provision as reflected on Sheet No. 58, herein reflects a commodity gas cost of \$4.394 per Mcf.

addition to the service regulator, the customer will be required to make a payment of \$40 to cover the cost, installed, of the high-pressure regulator.

3. If the line from which the customer is to be served is operated at a pressure in excess of 150 psig which will necessitate two high-pressure regulators in addition to the service regulator, the customer will be required to make a payment of \$80 to cover the cost, installed, of the high-pressure regulators.

The Company will make all necessary installations including the tap, meter and regulator or regulators at no cost to the customer except as specified above.

The Company will own, operate and maintain all facilities except the requisite service line of the customer.

VII. Neither the Company nor the customer shall be liable in damages to the other for any act, omission or circumstance occasioned by or in consequence of any acts of God, strikes or lockouts affecting the Company or its suppliers of gas, acts of the public enemy, wars, blockades, insurrections, riots, epidemics, landslides, lightning, earthquakes,

IX. If, in the Company's judgment, it is necessary to limit the sale of natural gas for the protection of monthly and seasonal volumes in order to supply market requirements based on gas supply available, the Company shall curtail or discontinue in whole or in part gas service to its industrial and commercial customers in the manner prescribed on Sheets 36 through 41 of this tariff. In so curtailing or discontinuing service the Company shall curtail monthly and seasonal volumes to such customers by ordering curtailment of deliveries to such customers by giving notice to each such customer of the percentage curtailment for each priority applicable to Buyer as described in said sheets of this tariff. Such curtailment shall be ordered as to the affected commercial and industrial customers, whether served under these or any other rate schedules.

The Company shall not be liable for any loss, cost, damage, injury or expense that may be sustained by the customer by reason of partial or complete curtailment, interruption or discontinuance of gas service.

X. The Company shall make a test of any meter upon written request of any customer provided such request is not made more frequently than once each twelve months or the meter is not scheduled for a periodic test. The customer shall advance an amount based on meter capacity as follows: 1000 cu. ft. per hour and under @ \$4.00; over 1000 to 10,000 cu. ft. per hour @ \$8.00 and over 10,000 cu. ft. per hour @ \$12.00. If such tests show the meter to be more than 2% fast or slow, the amount advanced shall be refunded to the customer and adjustments made pursuant to Commission's General Rule IX for "Bill Adjustment". If the meter is found not to be more than 2% fast or slow, the amount advanced by the customer shall be retained by the Company.

MINIMUM MONTHLY CHARGE (T)

The minimum monthly charge each billing month for gas delivered or the right of the Buyer to receive same shall be:

- (a) The amount determined by applying the rates for the Firm Volume to a minimum monthly volume which shall be the product of fifty percent of the specified Daily Firm Volume times thirty; except that
- (b) In the event of monthly, seasonal or annual curtailment due to gas supply shortage, the Minimum Monthly Charge shall be waived when the volume made available is less than 110% of the Firm Volume of (a) above, except that in no event will the Minimum Monthly Charge be less than one hundred fifty dollars (\$150).

During the development period, which shall be the first three (3) months of gas service to Buyer under this Rate Schedule, the minimum monthly charge described above will not be applicable. During such development period, Buyer shall be billed and shall pay an amount determined by multiplying the volumes of gas actually delivered during each billing month by the rates per Mcf that apply.

In the event of peak day interruption in the delivery of gas by Seller or complete or partial suspension of operations by the Buyer resulting from force majeure, which results in the delivery of reduced firm volumes of gas by the Seller, the minimum monthly charge shall be reduced in direct proportion to the ratio which the number of days of curtailed service and complete or partial suspension of Buyer's operation bears to the total number of days in the billing month; provided, however, that in cases of Buyer's force majeure, the minimum monthly charge shall not be reduced to less than one hundred fifty dollars (\$150).
