**RULES AND REGULATIONS**

GENERAL RULES AND REGULATIONS WITH REFERENCE TO RATE SCHEDULES

1. Unless otherwise specified, a domestic, commercial or industrial consumer shall be interpreted to mean a customer served through an individual meter.
2. A multiple unit dwelling shall be interpreted to mean two or more consumers or dwelling units, such as apartments, trailers or mobile homes within a trailer park.
3. A master meter shall be interpreted to mean one meter servicing a trailer or mobile home park or a multiple unit dwelling; the Company reserves the right to charge a minimum monthly rate per mobile home or trailer or individual consumer within a multiple unit dwelling served through a master meter.
4. Anytime a master meter is used for rendering service, the Company shall require the execution of a service agreement in writing, which agreement among other things, shall specify the number of customers served through such master meter.
5. "M.C.F." is defined as 1,000 cubic feet at the measurement base.
6. Measurement Base: The unit of measurement shall be a M.C.F. at a pressure base of 14.65 p.sia.a., a temperature of 60°F., and 0.6 specific gravity, having approximately 1,000 B.T.U. content per cubic foot.
7. "Service Area" is defined as any area supplied from one connection with the Company's supplier, i.e., Nicholasville-Wilmore is one service area as one connection from Tennessee Gas Pipeline Company supplies both communities.
8. All rates of the Company are subject to Purchased Gas Adjustment Clause as approved by the Public Service Commission.
9. Terms of payment: All bills are due and payable in 10 days.
- (I) 10. Delinquent Bill Charge: A charge of \$2.25 will be made to collect a delinquent bill after written notice has been sent to the customer as required by Public Service Commission Regulation.
- (I) 11. Reconnection Charge: Reconnection charge will be \$7.80.

**RULES AND REGULATIONS**

The Company may discontinue service to a customer immediately and without notice where it is discovered that the customer has been or is using gas without same being measured through the meter or where the gas is, or has been, used fraudently, or where the Company's equipment has been tampered with. Where the service has been discontinued for any of these reasons, the Company by written notice to the customer, may require the customer, at his expense, to make proper changes or corrections as required by the Company before service is restored.

In addition to the foregoing, the Company may require the customer to pay the Company the cost of any and all damages to the Company's equipment, the deficiency in revenue estimated on as accurate a basis as is available, and the cost incurred by the Company in the correction of the defects or diversion including the cost of removal and installation of meters and regulators and the cost of restoring the service.

Neglect or refusal on the part of the customer to provide reasonable access to the premises for the purposes of reading meters, inspection, maintenance and operation shall also be deemed to be sufficient cause for the Company to discontinue the service.

**23. RECONNECTION CHARGE:**

A reconnection charge as stipulated in the prevailing rate schedule will be charged by the Company to cover the cost incurred in reconnecting the meter or service when:

- (1) the customer's service has been disconnected for non-payment of bills or for violation of the Commission's or Company's Rules or Regulations, and the customer has qualified for and requested the service to be reconnected.
- (2) the customer's service has been disconnected at his request and at any time subsequently within twelve (12) months is reconnected at the same premises, except for students attending local service area colleges.

**24. MINIMUM BILLING:**

- (1) No minimum charge shall be rendered under any condition when a meter has been removed for any cause.
- (2) A minimum charge shall be rendered against every meter in place unless service is discontinued in one customer's name, not to be reserved at the location.
