RULES AND REGULATIONS

BILLING/PAYMENT SCHEDULE: Billings and collections shall be performed for the utility by the Southeast Daviess County Water District. Such billings are on a monthly basis and the payment schedules are as set forth on said bills.

DEPOSITS: (1) The utility may require from any customer or applicant for service a minimum cash deposit or other guaranty to secure payment of bills of an amount not to exceed two-twelfths (2/12) of the estimated annual bill of such customer or applicant, where bills are rendered monthly or an amount not to exceed three-twelfths (3/12) of the estimated annual bill of such customer or applicant, where bills are rendered bi-monthly or an amount not to exceed four-twelfths (4/12) of the estimated bill of such customer or applicant where bills are rendered quarterly.

(2) The utility shall issue to every customer from whom a deposit is received a certificate of deposit, showing the name of the customer, location of initial premises occupied, date and amount of the deposit.

CUSTOMER'S DISCONTINUANCE OF SERVICE: (1) Any customer desiring service discontinued or changed from one address to another shall give the utility three (3) days' notice in person or in writing, provided such notice does not violate contractual obligations.

(2) Upon request that service be reconnected at any premises subsequent to the initial installation or connection to its service lines, the utility may, subject to subsection (3) of this section, charge the applicant an amount not to exceed the actual average cost as approved by this commission of making such reconnection.

DISCONTINUANCE OF SERVICE: (1) The utility may refuse or discontinue to serve an applicant or customer under the following conditions:

(a) For noncompliance with its rules and regulations. However, the utility shall not discontinue or refuse service to any customer or applicant for violation of its rules or regulations without first having made a reasonable effort to induce the customer or applicant to comply with its rules and regulations as filed with the commission. After such effort on the part of the utility, service may be discontinued or refused only after the

the customer shall have been given at least forty-eight (48) hours written notice of such intention, mailed to his last known address.

(b) When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut off without notice or refused, provided that the utility notify the customer or applicant immediately of the reasons for the discontinuance or refusal and the corrective action to be taken by the applicant or customer before service can be restored.

(c) When a customer or applicant refuses or neglects to provide reasonable access to the premises for the purpose of installation, operation, meter reading, maintenance or removal of utility property the utility may discontinue or refuse service only after the customer or applicant shall have been given at least fifteen (15) days' written notice of such intention.

(d) The utility shall not be required to furnish service to any applicant when such applicant is indebted to the utility for service furnished until such applicant shall have paid such indebtedness.

(e) The utility may refuse or discontinue service to a customer or applicant if the customer or applicant does not comply with state, municipal or other codes, rules and regulations applying to such service.

(2) The utility may discontinue service under the following conditions:

(a) For nonpayment of bills. However, the utility shall not discontinue service to any customer for nonpayment of bills (including delayed charges) without first having made a reasonable effort to induce the customer to pay same. The customer shall be given at least forty-eight (48) hours written notice, but the cut-off shall not be effected before twenty (20) days after the mailing date of the original bill. Such termination notice shall be exclusive of and separate from the original bill. If, prior to discontinuance of service, there is delivered to the utility office payment of the amount in arrears, then discontinuance of service shall not be made, or as to residential services where a written certificate is filed, signed by a physician, a registered nurse or a public health officer stating that, in the opinion of the person making the certification discontinuance of service will aggravate an existing illness or infirmity on the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until ten (10) days elapse from the time of the utility's notification.

RULES AND REGULATIONS

(b) For fraudulent or illegal use of service. When the utility has discovered evidence that by fraudulent or illegal means a customer has obtained unauthorized use or has diverted the service for unauthorized use or has illegally obtained service without same being properly measured, the service to the customer may be discontinued without notice. The utility shall not be required to restore service until the customer has complied with all rules of the utility and regulations of the commission and the utility has been reimbursed for the estimated amount of the service rendered and the cost to the utility incurred by reason of the fraudulent use.

(3) It shall be the duty of the utility before making service connections to a new customer to ascertain the condition of the meter and service facilities for such customer in order that prior fraudulent use of the facilities, if any, will not be attributed to the new customer, and the new customer shall be afforded the opportunity to be present at such inspection. The utility shall not be required to render service to such customer until all defects in the customer-owned portion of service, if any, shall have been corrected.

(4) Reconnection. For all cases of refusal or discontinuance of service as herein defined, where the cause for refusal or discontinuance has been corrected and all rules and regulations of the utility and the commission have been complied with, the utility shall promptly render service to the customer or applicant.

(5) When advance notice is required, such notice may be given by the utility by mailing by United States mail, postage prepaid, to the last known address of the applicant or customer.

SERVICE PIPE CONNECTIONS: (1) Sewage utility's service pipe. The utility shall install and maintain that portion of the service pipe from the main to the boundary line of the easement, public road, or street, under which such main may be located.

(2) Customer's service pipe:

(a) The customer shall install and maintain that portion of the service pipe from the end of the sewage utility's portion into the premises served.

RULES AND REGULATIONS

(b) Requirement for customer's service pipe. That portion of the service pipe installed and maintained by the customer shall conform to all reasonable rules of the utility. It shall be constructed of materials approved by the sewage utility and installed under the inspection of the sewage utility.

(3) Restriction on installation. A sewer service pipe shall not be laid in the same trench with a water pipe.

(4) Inspection. If a governmental agency requires an inspection of the customer's plumbing, the sewage utility shall not connect the customer's service pipe until it has received notice from the inspection agency certifying that the customer's plumbing is satisfactory.

OTHER RULES AND REGULATIONS: The utility and each and every customer shall abide by and conform their respective uses of the utility's properties and services to all statutes, regulations, and other laws of the Kentucky Department of Natural Resources and Enviromental Protection and of the Kentucky Public Service Commission as well as of any and all governmental agencies having any jurisdiction whatsoever over any of the utility's operations or es.
