(Name of Utility)

Water Main Extensions.

1. Normal extension. An extension of fifty (50) feet or less shall be made by a utility to its existing distribution main without charge for a prospective customer who shall apply for and contract to use service for one (1) year or more.
2. Other extensions:
 - a) When an extension of the utility's main to serve an applicant or group of applicants amounts to more than 50 feet per applicant, the utility will require the total cost of the excessive footage over 50 feet per applicant/customer to be deposited with the utility by the applicant/customer(s), based on the average estimated cost per foot of the total extension.
 - b) For a period of 5 years after construction of the extension, each additional customer whose service line is directly connected to the extension installed, and not to extensions or laterals therefrom, will be required to contribute to the cost of the extension based on a recomputation of both the utility's portion of the total cost and the amount contributed by the customers. The utility will refund to those customers that have previously contributed to the cost of the extension that amount necessary to reduce their contribution to the currently calculated amount for each customer connected to the extension. All customers directly connected to the extension for a 5 year period after it is placed in service must contribute equally to the cost of construction of the extension. In addition, each customer must pay the approved tapon fee applicable at the time of his/her application for the meter connection. The tapon fee will not be considered part of the refundable cost of the extension and may be changed during the refund period. After the 5 year refund period expires, any additional customer will be connected to the extension for the amount of the approved tap-on fee only. After the 5 year refund period expires, the utility will be required to make refunds for an additional 5 year period in accordance with subparagraph 1 of 807 KAR 5:066 -Section 11(2)(b).
3. The utility may make extensions under different arrangements if such arrangements have received prior approval of the PSC.
