Re: *ACC Kentucky License LLC*
Notification of the Sale of Ownership Interests

Dear Mr. Dorman:

Through its attorneys, Dobson Communications Corporation (“DCC”), which indirectly owns 50% of, and which controls the day-to-day operations of, ACC Kentucky License LLC (“ACC Kentucky”), a commercial mobile radio service provider in the state of Kentucky, hereby notifies the Kentucky Public Service Commission that, on or about May 16, 2003, Dobson CC Limited Partnership (“DCCLP”), the controlling shareholder of DCC, expects to sell 32.5 million shares of the Class A common stock of DCC to Bank of America, N.A. (“BofA”). As a result of this and other related transactions, BofA will acquire an approximately 36.08% equity interest in DCC (representing a voting interest of approximately 11.15%). DCCLP, which currently holds voting control of DCC, will maintain voting control and will continue to have the ability to elect a majority of the Board of Directors of DCC and to control the day-to-day operations and management of DCC and ACC Kentucky.

As requested by Commission staff, an original and four copies of this letter are provided. Please date-stamp one of the copies and return it to us in the enclosed pre-paid Federal Express envelope. If you have any questions regarding this matter, please contact the undersigned.

Sincerely,

WILKINSON BARKER KNAUER, LLP
