Re: Internet Telephone Company
Tax Identification #33-0804990

Dear Sir or Madam:

Internet Telephone Company ("ITC") is unable to commence business at this time.

ITC would like to kindly request that the Kentucky Public Service Commission please withdraw our Certificate of Public Necessity and Convenience for Authority to provide operator service and/or resell telecommunications services in the State of Kentucky.

Thank you, in advance, for your assistance in this matter.

Sincerely,

Robert Cook
President
