Dear Mr. Feldman:

Per our conversation today--from inception, One Communications Systems has never conducted any business in Kentucky; therefore, we withdraw our registration and all tariff filings.

It was never our intent to sell anything to the public--we originally planned for One Communications Systems to be a partner to our Internet provider company. However, this plan never came to fruition and the corporation of One Communications Systems will be dissolved.

Please let me know if you need anything further. Thanks for your efforts in this matter

Sincerely,

Charles L. Culton
