Dear Mr. Feldman:

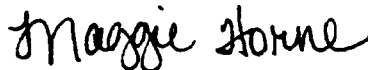

05140100

U.S. Republic Communications, Inc. ("USRC") is in receipt of the Report of Gross Operating Revenues from the Kentucky Public Service Commission ("Commission"). It is the Company's intent that the information provided herein will satisfactorily respond to the Commission's request for the above-noted report.

On December 24, 1999, USRC and Alliance Group Services, Inc. ("Alliance") executed a purchase agreement for certain assets of USRC, including but not limited to the Company's customer base. The Commission was notified of the above-described transaction and said transaction was approved by the Commission upon receipt of the notification on January 17, 2000. As a result, the records associated with USRC's long distance customer base were moved to Alliance's principal address located at 1221 Post Road East, Westport, Connecticut, 06880, and all correspondence (including assessments and annual report forms) from the Commission regarding USRC's long distance services should be sent to Alliance's principal mailing address. At this time, in an effort to ensure payment and report information is provided to the Commission in a timely manner, USRC is forwarding the report to Alliance directly at the aforementioned address.

Acknowledgment and date of receipt of this filing are requested. Please return the attached copy of this correspondence in the self addressed, postage prepaid envelope provided. Please direct any questions or comments regarding this correspondence or the above-described transaction to the undersigned at telephone number (214) 424-1512.

Respectfully submitted,

Maggie Horne
