PUBLIC SERVICE
COMMISSION

Re: *United American Technology, Inc. and PromiseVision Technology, Inc.*

Dear Mr. Dorman:

United American Technology, Inc. ("UAT") and PromiseVision Technology, Inc. ("PV") (together, "the Parties"), through undersigned counsel, hereby advise the Kentucky Public Service Commission ("Commission") of an Asset Purchase Agreement ("APA") between the Parties whereby PV has agreed to sell and UAT has agreed to purchase PV's assets, including its Kentucky customers and telecommunications license. The proposed transaction will be completed once the Parties have obtained regulatory approvals, where required. As explained below, consummation of the proposed transaction will not change the rates, terms or conditions of services currently provided by PV to its Kentucky customers. Therefore, other than UAT's name replacing PV's on end user bills, the proposed transaction will be entirely transparent to PV's customers.

Upon consultation with Commission staff, it was determined that the appropriate procedure for obtaining Commission approval of the transaction involved filing this letter with the Executive Director and including in said letter a description of the proposed transaction, information regarding each of the Parties, a copy of the acquiring company's Secretary of State Certificate of Authority, and a revised PV tariff reflecting changes to the acquiring company's name. Wherefore, the Parties respectfully submit an original and three (3) copies of this letter and attachments for filing with the Commission. Please date-stamp and return the enclosed extra copy of this filing in the enclosed self-addressed stamped envelope.

The Parties further state as follows:

I. THE PARTIES

A. United American Technology, Inc. ("UAT")

UAT is a privately-held corporation, organized and existing under the laws of the State of Oklahoma. UAT is registered as a foreign corporation with the Kentucky Secretary of State and is in good standing. *See* Exhibit A.

UAT's main office and contact information are as follows:

United American Technology, Inc.
900 N.E. 63rd Street, Suite 100
Oklahoma City, OK 73105
Tel: 405-418-0340
Fax: 405-840-9002
Toll-Free: 800-394-2611
E-mail: tom@uatnow.com

UAT is well-qualified, managerially, technically and financially, to assume control of PV's telecommunications operations in Kentucky. UAT's officers are experienced managers and have experience providing resold telecommunications services. *See* Exhibit B. UAT also has substantial financial wherewithal and access to ample capital. *See* Exhibit C.

B. PromiseVision Technology, Inc. ("PV")

PV is a privately-held corporation organized and existing under the laws of the State of Oklahoma. PV's main office and contact information are as follows:

PromiseVision Technology, Inc.

Currently located at:
1050 East 2nd Street, #212
Edmond, OK 73034
Tel: 405-418-0341
Fax: 405-418-0344
E-mail: sandi@ionet.net

Previously located at:
12211 N. Pennsylvania
Oklahoma City, OK 73120

In Kentucky, PV is authorized to provide intrastate interexchange services pursuant to a tariff on file with the Commission, which became effective on November 19, 1999.

II. CONTACT INFORMATION

Questions or inquiries concerning this filing may be directed to the following counsel for the Parties:

Jonathan S. Marashlian, Esq.
The Helein Law Group, LLP
8180 Greensboro Drive, Suite 700
McLean, Virginia 22102
(703) 714-1313 (Tel)
(703) 714-1330 (Fax)
JSM@thlglaw.com (Email)

III. DESCRIPTION OF THE TRANSACTIONS

On December 29, 2003, the Parties entered into an Asset Purchase Agreement ("APA"), whereby PV agreed to sell and UAT agreed to purchase all of PV's assets. Closing of the APA is contingent upon obtaining regulatory approvals of the transaction, where required. Pending closing of the APA in each relevant jurisdiction, UAT will manage PV's assets pursuant to a Management Agreement.

Upon obtaining regulatory approval, PV customers will be provided at least thirty (30) days' notice prior to the closing of the transaction. This notice will inform PV customers that: (1) after 30 days UAT will become their new long distance provider, (2) they may elect a different carrier without incurring any charges within the 30-day period, (3) the only change they will see on their bill is UAT's name replacing PV's and (4) all rates, terms and conditions they currently enjoy will not change.

To reflect the name change that will result from the proposed transaction, UAT submits its Kentucky P.S.C. Tariff No. 2. *See* Exhibit D. Tariff No. 2 cancels and replaces in its entirety, PromiseVision Technology, Inc.'s Tariff No. 1. Tariff No. 2 contains the services, rates, terms and conditions applicable to customers who took service pursuant to PromiseVision Technology, Inc.'s Tariff No. 1 and will serve as UAT's initial Kentucky tariff.

IV. PUBLIC INTEREST CONSIDERATIONS

The Parties respectfully submit that the proposed transaction serve the public interest. In particular, the Parties submit that (1) UAT holds the managerial, technical, and financial qualifications to acquire control of PV; (2) the transaction will benefit competition in the Kentucky telecommunications market by enabling UAT to assume direct and ultimate responsibility to the customers it is currently serving under a Management Agreement thereby allowing UAT to grow as an

effective competitor in Kentucky; and (3) the transaction will assure that there is no disruption of service and will be virtually transparent to existing PV customers.

V. **CONCLUSION**

Wherefore, the Parties respectfully request that the Commission take such actions as are necessary to transfer PV's intrastate telecommunications authority to UAT and approve UAT's proposed P.S.C. Tariff No. 2.

Respectfully submitted,

Jonathan S. Marashlian

TARIFF FORMAT

- A. Page Numbering** - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.

- B. Page Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the KY PSC. For example, the 4th revised Page 14 cancels the 3rd revised Page 14.

- C. Paragraph Numbering Sequence** - There are seven levels of paragraph coding. Each level of coding is subservient to its next higher level:

 - 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a).
 - 2.1.1.A.1.(a).I.

- D. Check Sheets** - When a tariff filing is made with the KCC, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc. remain the same, just revised revision levels on some sheets.)

3.4 Calculation of Distance

For services which are distance sensitive, usage charges are based on the airline distance between the serving wire center locations associated with the originating and terminating points of the call.

The distance between the originating and terminating points is calculated by using the "V" and "H" coordinates of the serving wire centers as defined by BellCore (Bell Communications Research), in the following manner:

Step 1: Obtain the "V" and "H" coordinates for the serving wire center of the Customer's switch and the destination point.

Step 2: Obtain the difference between the "V" coordinates of each of the serving wire centers. Obtain the difference between the "H" coordinates.

Step 3: Square the differences obtained in Step 2.

Step 4: Add the squares of the "V" difference and "H" difference obtained in Step 3.
