United Communications Hub, Inc. requested a withdrawal of their Certificate of Authority from PSC, Dept. of Revenue, Sec. of State and any other agency that I had any correspondence with to do business in the State of Kentucky in 2004.

We have not have offered services in the State of Kentucky nor do we have any customers or revenue in 2004.

I have completed this form for you however, I am a notary and I cannot sign for myself. My boss Larry Wilcox is not in the office today and possibly not until next week. I will send this to you to complete our filing. If you need it notarized please advise me and when he comes into the office I will get it notarized.

Sorry, for the misunderstanding. If you need to contact me I can be reached on 8000862-9970 X209.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lorene M. Koen".

We do not have any customers in the State of Kentucky and we do not plan to have any in the near future. We are requesting a withdrawal of our Certificate of Authority from the State of Kentucky effective immediately.

If there are any forms we need to have filled out and have signed please send them to my attention.
